

## Alternative Septic System Fact Sheet

- **Having problems with your septic system?**
- **Building near a lake or river and want to reduce any pollutant impact?**
- **Need ideas or answers to questions regarding alternative septic systems that are available?**

**The following is a list of some of the many websites that may assist you in your search for answers:**

- BioLet Composting <http://www.biolet.com/>
- Bio-Sun <http://www.bio-sun.com/>
- Composting Toilet <http://www.compostingtoilet.com/index.htm>
- Incinolet <http://www.incinolet.com/>
- Multiflo <http://www.consolidatedtreatment.com/multiflo.asp>
- Storburn <http://www.sympatico.ca/storburn/>
- Sun Mar Composting <http://www.sun-mar.com/>

For more information on installation in your region first contact your local code enforcement officer or local/state Health Department.

For more information on alternative septic systems, to purchase dye test kits (\$5.00), or to have a site assessment in Hamilton County contact the **Hamilton County Soil & Water Conservation District at (518)548-3991.**
