

# Mulch Straw and Conservation Seed Mix

Mulch Straw - \$5 / bale

Conservation Seed Mix - \$13 / 5 pound bag

Straw is offered instead of hay for mulch because there is less chance of transferring terrestrial invasive plants into the county. Conservation Seed Mix is perfect for lawns. This fast growing mixture includes the following grasses: 30% Creeping Red Fescue, 15% Perennial Rye, 15% Tall Fescue, 15% Canada Bluegrass, 15% Colonial Bent, 10% Annual Rye.

Please contact the Hamilton County Soil and Water Conservation District for availability. Our office is located off Route 8: 102 South Shore Rd, Lake Pleasant, NY.

Phone: 518-548-3991

Address: PO Box 166, Route 8 Lake Pleasant, NY 12108
