

Paddle Against Invasives!

*Learn about invasive species
as you canoe or kayak the
scenic Sacandaga River*

WHEN: Friday August 6, 10-11:30 AM, rain or shine.

WHERE: Put-in at the Village of Speculator Park off Rt. 30.

WHAT: Learn about the ecology and management of terrestrial and aquatic invasive species and how they adversely impact native Adirondack biodiversity.

BRING: Canoe or kayak, paddles, life vest, water, snacks, sun screen, sun glasses, and water shoes.

GUIDE: Conservation Educator Caitlin Stewart.

Menacing Purple Loosestrife
